Mishap Toll Exceeds War

Utility Safety Expert Urges More Caution In Cars, Homes

Two wars could be going on costing America the same toll as the World War and yet the lives taken would not be greater in number than are being claimed in home and automobile accidents yearly!

This revelation was made to the Exchange Club Tuesday by S. C. Dickinson, safety engineer of the Pacific Gas and Electric Company, in a talk at the regular weekly meeting.

Dickinson, who dramatically revealed that he had dedicated his life to safety because his own brother had been shot dead by an "unloaded revolver," said that 101,000 persons were killed last year in accidents, that 10,000,000 persons were seriously injured, and that the material cost was $3½ billion.

"Yet we still think war is deadly," he said.

Dickinson pointed out that America lost but 50,510 men in the World War. In American homes last year, he said 31,500 persons were killed in accidents.

Dickinson demonstrated methods of resuscitation at the conclusion of his talk.

Kenneth Van Gundy of the local office of the P. G. & E. was chairman.

Van Gundy told of his vacation trip to Lake Tahoe and of a visit to the revived "ghost" town of Virginia City, Nev., once a community of 40,000 persons.

The first horse-car line in New York City ran on the Bowery and on Fourth avenue from Prince street to Union place, now 14th street.

OFFICER WHO KILLED SELF LIVED HERE

McEntee, S. F. Police Sergeant, Suicides Over Ill Health

Sick leave had ended Monday in the suicide of San Francisco Police Sergeant James McEntee, 66, who had made his home for the past eight years at 232 Elwood street, Redwood City. He joined the San Francisco department in 1895 and became a sergeant in 1911. He was a native of San Francisco.

Sergeant McEntee, who had recently refused to retire in spite of a nervous breakdown, walked into the lavatory of the Western Addition station house Saturday and fatally wounded himself by sending a bullet through his brain. He was alive but unconscious when found by a fellow officer, Michael McCarthy, but died shortly afterward.

Surviving are his widow, Mrs. Mary McEntee, and a daughter, Mrs. Cornelius Dempsey, 136 Lowell street, both of Redwood City; another daughter, Mrs. Leona Tichenor, and a son, Attorney James Jr., both of San Francisco; and two sisters.

Deer Hunter Shot By Error

Santa Clara Marks Up Second Hunting Fatality

SAN JOSE, Sept. 8—Santa Clara county marked up its second deer hunting fatality today and prepared a pack expedition to bring out the victim from a lonely canyon above Evergreen.

A .30 caliber bullet from the rifle of his hunting companion, John Kovich, 25, killed George Merritt, 31, San Jose, instantly yesterday. After Kovich and another of the deer hunting party, Donald Silva, 13, had assured themselves Kovich, struck in the head, was beyond aid, they fought their way through nearly impenetrable underbrush to notify authorities.

Officers struggled to the isolated spot where Merrit lay, but roughness of the country prevented removal of the body last night. Kovich was not held, he fired at what he thought was a deer and struck Merritt, officers said. The first deer hunting victim was Robert King, 16, of San Francisco, killed when a gun went off as he was getting into a machine on Pacheco pass.

G.O.P. Cancels Peninsula Talks By Frank Knox

Hopes of Redwood City to hear Colonel Frank Knox, Republican vice presidential nominee, make an observation car talk in Redwood City were crushed today with announcement from Republican state campaign headquarters that his scheduled talk here September 19 had been canceled.

Late last week the announcement came from the same source that Knox would make a series of talks on the peninsula following his speech September 18 in San Francisco, which will go on as scheduled. Redwood City, Palo Alto and San Jose were the canceled engagements. "Physical limitations" were the reasons given for the change in plans.

Steel Worker Badly Injured

W. L. Clark Suffers Hurts in South S. F. As Car Overturns

SOUTH SAN FRANCISCO, Sept. 9—After his car overturned while rounding a corner here last night, William L. Clark, 22-year-old Daly City steelworker, was reported in "bad shape" at the South San Francisco General Hospital today.

Chief of Police Louis Belloni said that Clark, who apparently lost control of his car while traveling at high speed, was suffering from a broken leg and broken pelvis. Hospital attaches said that Clark was also under observation for possible internal injuries.

The accident occurred at 11:20 o'clock when Clark was going south on Mission road. He gave his address as 44 Gambetta street, Daly City.

Howard Parks Keep Separation Secret

HILLSBOROUGH, Sept. 7—San Francisco society learned today that the marriage of Mr. and Mrs. Howard G. Park of Hillsborough has floundered in Reno divorce court.

And society realized why the divorce, obtained by Mrs. Park on the grounds of cruelty, remained a closely guarded secret since August 18.

For beautiful 17-year-old Anne Park made her debut Saturday and Mr. and Mrs. Park did not want to cast any shadow across the brilliant garden party Mrs. Park gave for her daughter at their Hillsborough home.

The spa at Saratoga Springs, N. Y., is owned by the state.

WITT SUPPORTERS PLAN FIGHT AGAINST CHARTER

Well-financed and with counsel of eminent attorneys, a First District Citizens' Committee will contest the charter provision which caused Supervisor Albert Witt Jr. of Colma to run "at large," the defeated supervisor announced on Tuesday at a sensation-packed meeting of the board of supervisors.

At the request of this citizens' body, which represents, Witt said, "a district up in arms" over his defeat in the primaries by Hugh E. Smith, former mayor of Daly City who was swept into office by an avalanche of votes from the four other county townships despite the fact Witt's own district favored him slightly over Smith, Witt did not vote as the supervisors canvassed the primary election returns.

Other developments at the meeting were:

1. Board Chairman Manuel Francis, saying that he had acted "hastily" last week and "with his mind not clear" successfully moved that the board rescind its action to name a citizens' committee to investigate "inequitability" of the county tax assessment rolls. Francis, who voted for the commission last Monday, said he did not want to "do wrong" to his "boy-hood friend," Assessor Dan Flynn, and make "slurs" at his office.

2. Supervisor Witt asked for a ruling of Assistant District Attorney Daniel Sullivan whether County Executive Walter Kellogg's failure to appear today, as ordered by the board of supervisors to explain dismissal of Joseph Walker, ousted county social service head, was not "insubordination," making Kellogg liable for suspension or dismissal.

Witt's long-awaited announcement of the charter contest dropped like a bombshell toward the close of the session as the supervisors were preparing to go through the ordinarily routine procedure of canvassing the returns.

"'A committee of citizens of the first township visited me this morning and their legal advisor asked me not to take any action in voting on the approval of the election returns."

"They intend to contest the election-at-large charter provision, and I don't want to do anything that might hinder them."

NEYLAN ASSISTING?

Witt said that the citizens' counsel comprised five eminent lawyers, one of whom was closely connected with the Hearst newspapers. This was seen as an indication that perhaps his case would be handled by John Francis Neylan, famed legal advisor of the Hearst publications.

Witt's startling announcement occurred just as unexpectedly and suddenly as his request for the "insubordination" ruling by Sullivan, which was seen as striking back at Kellogg for concurring with Health Director Dr. Gans in dismissing Walker, a Witt appointee.

Asked whether he intended to have Kellogg suspended for being "out of town" instead of at the board meeting, Witt said to reporters:

"You recall that before the primaries two supervisors wanted to dismiss Kellogg. Well, we'll see next week whether they are of the same mind."

Millbrae Man Held As Reckless Driver

BURLINGAME, Sept. 8—A. B. Cavanaugh, Millbrae, was today sentenced to 10 days in the county jail by Judge R. L. Stone for reckless driving when he was involved in an accident with a car driven by Howard Mallen, San Francisco, yesterday.

In the accident occurring on El Camino Real near Grove avenue, Mrs. Mallen received lacerations and was treated at Mills Memorial Hospital.

MENLO PARK NEWS

Father Jeremiah Gleeson, assistant pastor here for over three years, has been transferred to Holy Ghost Church, Centerville, and is succeeded by Father Leonard J. Maddock of Oakland. Father Gleeson made many friends while here and leaves with the best wishes of every one in Menlo Park.

Among the numerous changes of the clergy in the diocese by Archbishop J. J. Mitty was Father Thomas Bergin, former assistant here until 1930, when he was appointed pastor of the Half Moon Bay Church. Father Bergin goes to Sebastopol. Father Maurice O'Keefe of Mayfield goes to South San Francisco. The assignments consisted of 14 pastorates and 21 assistants.

Mr. and Mrs. W. H. Weeden and their daughter, Mrs. Isabelle Lindquist, and her children have returned from a motor trip to the state fair at Sacramento. Every year they visit Sacramento to enjoy the fair.

A large number of bats have invaded the Corpus Christi Monastery buildings. They are unusually big, making hideous noises at night to the annoyance of the sisters. Every effort is being made to remove them but it is a hard task as they cannot be poisoned or shot. The state officials have been appealed to, and it is possible the proper bureau will get rid of the troublesome bats.

Edward Derry, proprietor of the Menlo Park Transfer Feed and Fuel Company, will start construction on his concrete building sometime next week. All the old buildings near the postoffice are to be wrecked. The new structure will be similar to the Maloney block and will run the full length of the Derry property. It will contain two stores in front and a large warehouse in the rear. John W. Morey is to do the work.

On Monday evening Menlo Parlor, Native Daughters of the Golden West, will give a card party in Masonic Hall and the public is invited. Score cards 25 cents. Playing will start at 8 o'clock.

Dr. and Mrs. Willis Rich, with their baby son and Mrs. Rich's mother, Mrs. Chloe Lesley Starks, returned home to Menlo Park last Sunday after a three weeks' motor trip into the Northwest. They went as far as Vancouver Island. At Portland and Seattle, Dr. Rich stopped over on business connected with the United States Bureau of Fisheries. His son, Robert, came home with them from Tillamook, Ore., where he had been working with the Oregon fish commission this summer. He will enter Menlo School for his senior year.

Mr. and Mrs. Lester D. Mathews of San Francisco are visiting Mr. and Mrs. H. D. McCleary in Menlo Park.

John Blackman, a Stanford graduate and member of the Menlo School faculty, will sail on the 17th for Europe, planning to study languages at the Sorbonne for a year.

Miss Helen Otis became the bride of Dr. Ray J. Caffrey at a wedding cedemony performed Labor Day in Reno, Nev. Both the bride and bridegroom are residents of Menlo Park.

Republicans Plan Drive

Dr. John Blood Heads Central Committee At Meet Here

Mapping plans for the Landon-Knox campaign in the county and electing officers, the new Republican Central Committee held its first meeting Tuesday in the supervisors' chamber at the courthouse.

Elected chairman was Dr. John Blood of Redwood City. Other officers of the recently elected committee are W. C. Van Antwerp of Hillsborough, vice chairman; Burress Karmel, Burlingame, deputy district attorney, secretary; William Eddy, Burlingame, treasurer; and James Reid, executive secretary and campaign manager.

Three men were named to represent the county central committee on the eighth congressional district committee. They were Emmet Hayes of San Mateo, S. A. Keyston of San Mateo, and Chairman Blood.

Plans were also made for the congressional campaign for Alonzo Baker, Mountain View publisher.

Next meeting of the committee will be held Tuesday at 8 p.m. at the Burlingame City Hall.

The first irrigation by an Anglo-Saxon on the American continent is credited to William Carter, in Utah in 1847.

Local Italians Given Positions In Federation

Two Redwood City men held high offices in the Italian Catholic Federation of California today after elections held Monday in Monterey.

Attilio Raeta of San Francisco, new grand president, will have as chief aides, Luigi Dematteis and Victor Canavese, both of Redwood City, first and second vice presidents, respectively.

Other officers named were Lugi Providenza, general secretary; Felix Chialvo of Oakland, treasurer; Robert Paganini, general counsel, and Albert Giusto of San Francisco, sentinel.

All-Night Driving Ends in Smashup

An all-night drive from Los Angeles ended in a smashup early Wednesday for a San Francisco couple whose machine went into the ditch as the driver apparently fell asleep.

The only one hurt in the resulting crash was Mrs. Charles Campbell of San Francisco. She was treated by Dr. Robert Monteith for a cut and bruised forehead, an injury incurred when she hit her head on the dashboard as the machine came to an abrupt stop. Her husband was uninjured.

After emergency treatment the San Franciscans continued on their way.

Camino Real Bid Awarded

Stretch South of S. J. Will Cost $253,494; Work Starts Soon

SAN JOSE, Sept. 9.—The first unit of long-awaited widening and realignment of the Monterey highway south of San Jose will cost $253,494.

That was the low bid of Jones & King, Hayward contracting firm, when the state department of public works opened bids in Sacramento yesterday for the grading and paving of 10.4 miles of the congested highway between San Jose and Coyote.

Award of contract will be made next week with work to start this month.

The improvement calls for a shoulders, providing virtually a three-lane highway with broad five-lane artery.

Nearly doubling its original allocation for this improvement after several months of united activity of communities along the 101 highway south of San Jose had called attention to the "bottleneck" conditions existing, the state now has $390,000 set aside for the immediate improvement of this artery, according to State Public Works Director Earl Lee Kelly.

Garfield was the only American president who also was a preacher.

Democratic Group Elects

Officers for the Democratic County Central Committee were elected at Tuesday's organization meeting in the courthouse.

T. J. Broderick, Burlingame, was elected chairman, with J. G. Barrett, Redwood City, named vice chairman. Miss Elinor Falvey, San Mateo, will serve as secretary and Paul Hecht, Redwood City, will hold the office of treasurer.

Also among the major business of the meeting was the selection of delegates from this district to the state convention to be held in Sacramento September 27. Arthur B. Smith, Redwood City, and Hugh S. Mullin Jr., San Mateo, received the appointments.

The committee unanimously decided to endorse the candidacies of Pres. Franklin D. Roosevelt, Vice-Pres. John Garner, and Congressman John J. McGrath. The latter attended last night's meeting.

EYES need PROTECTION, TOO!

EYES are like traffic police that tell us when light is weak or good, glaring or diffused as daylight. If your eyes squint, for example, don't neglect this warning. For squinting is often a telltale signal of poor lighting.

Guard your children's sight and your own, with better light. Whether it is for study, playing games, reading or sewing, make sure there is plenty of light, free from glare and well diffused throughout the room and not just parts of it.

Remember, better light is one of the best preventives of eyestrain, headaches and defective vision. Don't take any chances with improper lighting in your home. Ask for a free check-up of lighting conditions in your home today. There is no obligation.

Don't TAKE A CHANCE ON POOR LIGHTING!

● *Would you like to know whether your table and floor lamps give enough light for safe seeing. You may have your lighting checked by one of our home lighting representatives without charge or obligation. You are entitled to this free service. The information you obtain will be invaluable in rearranging your present lamps or selecting new ones in the future.*

Judge Stetson Adds 3d Couple to Record

BURLINGAME, Sept. 9—If the third time is the charm, James Gordon Old, 42, San Francisco, and Nellie M. Shields, Great Falls, Montana, are bound to be happily married.

For they were wed last night by Judge Arthur H. Stetson, the third couple to be married by him in the three years he has held his post.

The pair dropped in on Judge Stetson last night so unceremoniously that he had to call on Justin Fitzgerald, city councilman and manager of the San Mateo Blues baseball team, to "pinch-hit" as a witness.

Menu Flashes by Joan Andrews

Corn on the cob has not yet been relegated to its annual limbo. Plump, sweet ears of this favorite summer vegetable are still to be had. Try serving some cream of corn soup for dinner or luncheon. Put some cooked corn through a sieve or ricer and combine it with fresh milk. Add a lump of butter, some salt and pepper and, if you like, thicken it a little. Heat thoroughly, and there is your corn soup.

And a grand, appetizing soup it will be if it's made with Golden State Milk. The use of this rich, fine-flavored milk means better tasting and more nutritious dishes. Golden State Milk is always delicious, always rich.

Burlingame Fire Near Actor's Home

Grass and brush were burned Tuesday afternoon in a three-acre grass fire at Newton drive and Hillside road back of Burlingame.

The fire burned two hours and was fought by the county department under the direction of Chief Deputy Fire Warden Ernest Werder and Deputy Jack Howell of Burlingame. The blaze was near the home of E. F. LaMontaigne, actor and radio star. Mrs. Montaigne turned in the alarm. Werder said that no houses were perilled by the flames.

Chesterfield's Half-Hour Held Most Versatile

When Andre Kostelanetz raises his Chesterfield orchestra baton at precisely 9 o'clock Wednesday evenings and 10 o'clock Friday evenings, what many critics have called radio's most versatile musical show goes on the air from coast to coast over the Columbia network.

The foundation of the program is a 45-piece orchestra that can interpret—and does, every kind of tune the nation is dancing to.

Against this background of distinctive music there is the singing of Kay Thompson, Ray Heatherton and the Rhythm Singers.

A complaint the Chesterfield people often receive—if you can call it a complaint—is that Ray Heatherton's songs are all too few.

All together the Kostelanetz program is held to be a unique contribution to radio entertainment combining, as it does, the rhythm of popular songs with the sway of dreamy tangoes and rhumbas, ballads that everybody loves, and just a bit of musical mischief for added spice.

THREE HURT IN SAN MATEO

SAN MATEO, Sept. 8—Three San Francisco people were injured here yesterday when the car in which they were riding skidded and turned over on Skyline boulevard. Manuel Desreitas, the driver, suffered a fractured left arm while his wife, Winifred Desreitas, was bruised painfully. Mrs. C. S. Brown, a passenger, suffered cuts about the head. The three were treated at Mills Memorial Hospital.

MILLBRAE, Sept. 8—August Preding, Millbrae, was treated at Mills Memorial Hospital last night for cuts and bruises about the face assertedly received in a fist fight in a highway tavern.

CREW RACING WILL DEPEND ON FINANCES

Ebright, Noted Coach, Hopes Stanford 'U' Will Train Here

That lack of funds was the principal objection to Stanford taking up rowing again, a sport which the university dropped some years ago, was revealed today after Carroll ("Ky") Ebright, University of California crew coach, had once again revived the subject in an interview with Art Cohn, sports editor of the Oakland Tribune.

Ebright pointed out early this summer that an admirable training and regatta course—lack of which was given by Stanford officials as the reason for abandoning the sports—now existed in Redwood City harbor and would be further improved when deepening and widening of the channel were carried out.

In the wake of the Labor Day week-end Sea Scout regatta in which 500 Sea Scouts and 40 odd ships participated at the local yacht harbor, Graduate Manager Alfred R. Masters of Stanford declared today that finances were the principal "hitch" in any discussion of Stanford reviving crew.

"If someone puts up the money, Stanford might revive the sport," Masters said.

He admitted that the question of lack of water at low tides—a problem which used to force the old Stanford crews to do their training sometimes at night—had been remedied by straightening and deepening of the channel in 1930.

Dredging at the harbor, which is pending approval by the supreme court of the $200,000 bond issue which was voted last summer by the city, would deepen the channel to 30 feet and further improve the straight three-mile course which already exists and which would be ideal for rowing purposes.

Ebright pointed out that a home-and-home arrangements of races could be made. The Berkeley crew holds its home races at present on the Oakland estuary.

Ebright, early in the summer before he left for Poughkeepsie where his Golden Bear eight lost out to the Washington University Huskies, suggested that Stanford might be prevailed upon to resume crew.
